Dear Mr. Clark:

It has come to our attention that you have opened a mine portal on your Miller Extension and Clark mining claim groups without filing a notice to conduct mining operations. A notice shall be filed within 30 days of the date of this letter. You shall be held to be in noncompliance with 43 CFR 3809.1-3 if you fail to do so.

A notice form is enclosed for your convenience. The completed notice shall contain a description of your reclamation plans. An onsite to discuss the operations and proposed reclamation shall be held prior to October 30.

If you have any questions, contact Neil Simmons of my staff at 801-637-4584.

Sincerely yours,

/S/ JAMES W. DRYDEN

Area Manager

NOTICE TO OPERATORS:

1. A notice submitted in relation to the 43 CFR 3809 regulations does not require approval from the BLM. However, notification of such activities shall be made at least 15 calendar days before commencing operations. Receipt of a notice will be acknowledged promptly. Approval of a submitted plan of operations is required from the BLM prior to commencing operations. The BLM will promptly acknowledge receipt of a submitted plan and will notify the operator of the status of the plan within 30 days of receipt of the plan.
2. Submittal of a notice or approval of a plan of operations does not constitute certification of ownership to the person named as owner herein, nor does it constitute recognition of the validity of any mining claims named herein.
3. Generally, information that could be considered proprietary is not necessary to fulfill notice or plan of operations requirements. However, information and data submitted and specifically identified by the operator as containing trade secrets or confidential or privileged commercial or financial information should be attached to a separate page and cited in the text of the notice or plan of operations. This information will be filed separately and will not be available for public inspection.
4. Failure of operator to file a notice or a plan of operations, as required by the 43 CFR 3809 regulations, will subject the operator to being served a notice of noncompliance or enjoined from the continuation of such operations by a court order until such time as a notice or plan is filed with the BLM.
5. The completed notice or plan of operations should be filed with the appropriate resource area office. Their addresses are as follows:
